

# Book Vending Machines

## Main Function:

Name	Book Vending Machines
External Dimensions	H: 1933mm, W:1122mm, D: 770 mm
Weight	300kg
Standard interface	MDB/DEX
Commodity types	53-70 types(according to prodcuts size)

Commodity storage	400-800pcs
Interior Storage	7 drawers
Electricity	100V/240V,60Hz/50Hz
Payment system	Bill and coin acceptor,Change coin
Temperature	Nomal temperature
LCD Screen	8 inch

- 1.High strength & powder coated cabinet with fully insulated material, energy efficient vending unit.
- 2.Secure door with wrap-around enclosures and LED lighting.
- 3.Triple glazed viewing window.
- 4.Dual spirals on chip trays.
- 5.Each tray tilts down 45 degree for fast & easy loading.
- 6.Adjustable tray partition and height.
- 7.Secure /lockable cash box.
- 8.With temperature sensor (4 to 25 degrees Celsius adjustable) Modular cooling system, easy to maintain.
- 9.With drop sensor/Vend Assure TM / vend sensors/guaranteed delivery system. (holds credit until product is delivered).
- 10.GPRS remote monitoring system, delivers real time live information.
- 11.Glass Heater embedded on glass to prevenet condensing of moisture.
- 12.Excellent capacity and size ratio.
- 13.Flexible layout for snack,fresh food,cans and bottles.
- 14.Energy efficient compressor,etc.
- 15.Cooling system with R134a refrigerant,can meet the ROHS requirement.

**Payment System:**

1. IC card, ID card, voice control, bank card, credit card, two-dimension code, bank note. coin, bill,mobile pay system, NFC card.
2. Supprot RS232.

**Electronics:**

- \*Electronic multiple pricing accessed through keypad-(Flexible Individual Pricing).
- \*Full diagnostic program accessed through keypad.
- \*Full unit and value line by line sales audit.
- \*Illuminated scrolling message display.
- \*Compatible with all leading MDB electronic change giving coin mechanisms, cashless and telemetry systems.
- \*Integral, push button, mains safety circuit breaker.
- \*24v DC Motors, Motorized Vending Mechanism.
- \*Electrical supply, AC 85-265V, 50/60HZ.

**Suitability:**

Supermarket,Malls,stores etc.
